

Agenda

Opening Keynote Panel - 09:00-09:40 am CET

09:00-09:10a CET	Opening Welcome
09:10-09:40a CET	Keynote Panel Discussion

Industry Session – 10:00 am – 11:35 am CET

Industry Sessions – 12:45 pm – 2:40 pm CET

Automotive		Aerospace		Heavy Machinery & Equipment	
Reinventing Mobility for a Sustainable, Connected World		Transforming the Industry with Smart Manufacturing and Design		Design reliable machines for the most challenging environments	
10:00-10:05a CET	Track Opening	12:45-12:50p CET	Track Opening	12:45-12:50p CET	Track Opening
	Industry Presentations		Industry Presentations		Industry Presentations
10:05-10:35a CET	Lightweight Body Manufacturing	12:50-01:05p CET	Smart Design for Safety and Reliability	12:50-01:20p CET	Accelerating Digitalization with Human Centric validation
10:35-11:05a CET	New Mobility: Connected, Autonomous, Shared, Electric	01:05-01:50p CET	Advanced technologies in Aircraft Manufacturing	01:20-01:50p CET	Ensure flawless functionality right from the start through comprehensive system-level analyses
11:05-11:35a CET	Panel Discussion + Q&A	01:50-02:20p CET	Panel Discussion + Q&A	01:50-02:20p CET	Panel Discussion + Q&A

02:25-02:40p CET Human-Centric: Virtual Reality Demo

Thought Leadership Panel – 03:00-4:00 pm CET

3:00-3:45p CET	Thought Leadership Panel Discussion
3:45-4:00p CET	Closing
